This Document ©1999 Chris Bair <chris@thebairs.net>, but it can
 be copied as much as you want. Just remember to use it properly,
 arguing with someone who will not listen will not only frustrate you,
 but make the person less likely to listen to the missionaries in the
 future. Answer sincere questions, don't give them fodder, or a valid
 reason to hate you, remember that you represent Christ and his
 Church. Good Luck!
